

## **Vision Statement of Wei-Zhi Wu**

Dear Professor Yiyu Yao,

I am very happy to accept as a nominated candidate of Editor, IRSS web page and Editor, IRSS Bulletin for the coming IRSS election. I will devote to work with others to develop rough set theory as well as its applications in the world if elected. If elected, as a member of the IRSS Executive Board, I hope that the theory of rough sets will achieve fruitful results and will also be extended to more fields of research communities by the end of this term.

Sincerely yours,

Wei-Zhi Wu
